

OCCUPATIONAL SAFETY

CPR/AED and First Aid Training

CERTIFICATION COURSE

This course is designed to train participants to provide first aid, CPR, and use an automated external defibrillator (AED) in a safe, timely, and effective manner. Reflects science and education from the American Red Cross (ARC) and Emergency Cardiovascular Care (ECC).

WE'LL COVER:

- First aid basics
- Medical emergencies (i.e. choking)
- Injury emergencies
- Environmental emergencies
- Preventing illness and injury
- Adult CPR and AED use

This course is designed for anyone with little or no medical training who needs a course certification card for their job, regulatory (e.g. OSHA), or other requirements, or anyone who wants to be prepared in an emergency setting.

Wednesday, November 13
1 PM - 4 PM

SMC Joplin
923 W 4th St
Joplin, MO 64801
